PRIVACY INFORMATION

We take pride in being able to extend a greater degree of privacy than is required by law. Federal and state privacy laws are complex. Unfortunately some dental offices try to find loopholes around these laws. For example, dentists are forbidden by law from receiving money for selling lists of patient's medical information to companies to market their products or services directly to patients without their authorization. Some dental practices though can lawfully circumvent this limitation by having a third party preform the marketing. While personal data is never technically in the possession of the company selling its products or services, the patient can still be targeted with unwanted marketing information. Kirchner Dental, (hereinafter referred to as KD), feels that is improper and may not be in the patients best interest. Accordingly, we agree not to provide medical / dental information for the purpose of marketing directly to our patients. Regardless of the legal privacy loopholes, we will never attempt to leverage our relationship with you by seeking your consent for marketing products for others.

KD has invested significant financial and marketing resources in developing this practice. Noting in this Agreement presents a patient from posting commentary about KD on web pages, blogs, and or mass correspondence. In consideration for treatment and the above noted patient protection, if you prepare such commentary for publication about KD, you exclusively assign all intellectual Property rights, including property right to KD for any written, pictorial, and or electronic commentary. This assignment shall be operative and effective at the time of creation (prior to publication) of the commentary.

This agreement shall be in force and enforceable for a period of five years from KD's last date of service to you. As a matter of office policy, KD is requiring that all patients in our practice sign the Mutual Agreement so as to establish that any anonymous or pseudonymous publishing or airing of commentary will be covered by this agreement for all KD patients. Further this agreement will service for a minimum for three years beyond any termination of KD – patient relationship.

KD and patient acknowledge that breach of this Agreement may result in serious, irreparable harm. KD and patient agree to the right of equitable relief (including but not limited to injunctive relief). Should a breach of this Agreement result in litigation, the prevailing party in litigation shall be entitled to reasonable costs, expenses and attorney fees associated with the litigation.
